

The 2nd Annual Northtowns Family Agency Fair is coming soon!!!

- Does your agency or organization provide disability-related services (educational, medical, extra-curricular; to name but a few examples!) to children, Pre-K to 21 years of age?
- Does your agency or organization assist in the transitioning of school-aged children to the world of adulthood?
- Do you wish you could get the word out to more people so that you could help more people?

If you answered yes to any of the above questions, then the Northtowns Family Agency Fair is the place for you!

Ken-Ton SEPTSA and the Ken-Ton Model Transition Program invite you to participate in the 2nd Annual Northtowns Family Agency Fair! This is a great opportunity for your agency or organization to reach out to families across Western New York who want to know more about services, supports and community resources available to them. Information about the fair will go out in mailings, through various forms of media, and to schools. Best of all, there is NO COST for your agency or organization to participate!

We encourage you to bring materials to the fair to be handed out to interested families. Also, if there are representatives from your organization who speak at community events at no cost - please contact SEPTSA at the contact number/email below, as we hope to include workshops at the agency fair this year!

WHEN: Saturday, November 22nd, 2008, 10am – 3pm (There will be additional setup time on Saturday morning)

WHERE: Kenmore Middle School, 155 Delaware Road, Buffalo, NY 14217
