

*Here is your “Parenting Perspective” courtesy of your Office of Family Life Ministries:
“December 6 is the feast of St. Nicholas. Sure, hide a treat in your child’s shoe tonight.
Generosity is the trademark of St. Nick. Perhaps you could remind your child that there
are children in our world who still need shoes. As a family, consider secretly buying
someone a pair of shoes who needs them. There are many locations in our diocese that
would welcome even one pair of shoes!”*
