

Parish Home Visitation Program

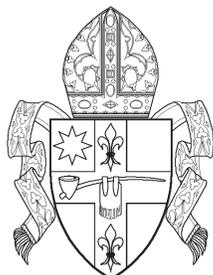

Home Visitation Ministry is an important part of parish outreach.

This program involves reaching out in charity to those members of our parish who attend infrequently, to those who have left our parish, and to those who don't know about us.

The *Parish Home Visitation Program* is a welcoming ministry, a way of "opening the doors to Christ." This is accomplished one home visit at a time by parish participants who are solid in faith, who are good listeners, and who are passionate to share the love of Jesus Christ and his Church.

Then the righteous will answer him and say, 'Lord, when did we see you hungry and feed you, or thirsty and give you drink? When did we see you a stranger and welcome you, or naked and clothe you? When did we see you ill or in prison, and visit you?' And the king will say to them in reply, 'Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.' (Matthew 25:37-40)

The *Parish Home Visitation Program* can be done at any time by parish visitation teams. Plan it around a parish activity such as a bizarre, parish picnic, dance, supper, etc. or plan it around another parish event such as a parish mission, *Homecoming*, beginning of RCIA, etc.

The *Parish Home Visitation Program* was developed by Mrs. Sharon [Bannon] Serangeli as a method to visit inactive Catholics and invite them back to the Catholic Church. Sharon, a retired registered nurse, was inspired by Fr. Alvin Illig, CSP, at a conference in Chicago in the early eighties and received ‘his’ passion to evangelize. Fr. Illig had devoted his life to the task that Pope Paul VI called “the essential mission of the Church.” Fr. Illig, touched by the Holy Spirit, labored to spread the Gospel of Jesus Christ and the truth of the Catholic faith before the duty to evangelize was widely accepted.

The *Parish Home Visitation Program*, based on Sharon’s experience, is a very practical, systematic method of reaching out to individuals in any parish size. Since the 1980s, Sharon has been using this program to visit inactive Catholics. Sharon and the team at her parish continue to use the *Parish Home Visitation Program* throughout the year to maintain contact with the inactive members of the parish family.

The material was edited by Diana Bes, Associate Director in the Office of Evangelization. Diana writes and publishes *Go Forth*, the Peoria Diocese’s evangelization newsletter. She is the diocesan contact person for the annual National Evangelization Team [NET] visit to the diocese. Diana has also established Theology on Tap, a young adult ministry, in the diocese.

The *Parish Home Visitation Program* was translated into Spanish by Maggie Montellano, Associate Director, Hispanic Ministry.

GENERAL GUIDELINES for Parish Home Visitation Team

- I. State your name and purpose immediately.
“Hello, my name is _____ and this is _____. We are from St. Edward’s Parish.
(Show name tag or ID as you introduce yourself.)

- II. Registered/Non-registered
 - A. If they are registered:
 1. “We are taking the time to visit the parishioners so that we can talk to you personally and hear any concerns or comments you may have about the parish. While we are here, we would also like to quickly update our census. If there is any question that you are uncomfortable with, you do not have to answer it.”
 2. Update Census Card: Check or confirm the information marked in yellow or red. Encourage them to get involved.
 3. Ask questions on the back of the census card.
 4. Give to the Parishioner: talent sheet, bulletin and anything else that may be pertinent to that household.
 5. Thank them for their time.
 - B. If they are not registered:
 1. “We are visiting every home in this area to get to know our parishioners better, and to see if there are any baptized Catholics who may want to know more about our parish. Are you or anyone in this house a baptized Catholic?”
 - a. If they are Catholic:
If they don’t mind, take their name and address and ask them the questions on the sheet. Leave them information on our parish. Mark “Catholic but not registered”.
 - b. If they are not Catholic:
If they are unchurched, invite them to Mass and, if interested, RCIA. If attending another church, thank them for their time and ask them if they have a prayer request. Put it on the sheet designated “Prayer Requests”. Try to get their first name for the prayer because it personalizes it more when we bring it before the Lord.

III. Additional Points for Good Dialogue

1. Pray before beginning the visitation.
2. Bless the house as you approach it.
3. Engage in a little small talk. “Beautiful day, appreciate you taking the time to do this..., nice street you live on, etc.
4. Listen for facts and feelings that might need a pastoral response. Take with you the Shepherd’s heart of Christ.
5. Have good eye contact.
6. Work as a team. If going in 2’s, have one designated spokesperson. That person should also write down the information. The other person clarifies or seeks information you may have forgotten.
7. Use the name of the person as you talk (not necessarily the first name).
8. Smile!
9. Paraphrase and reflect back what the person says.
10. **Don’t:** argue
take sides
try to top a story
preach

Do: listen to their stories
show compassion
show acceptance
apologize when necessary
share the Good News when appropriate
issue an invitation
admit you know when necessary

IV. **Points to Remember:**

First, pray! Ask the Holy Spirit to be with you and the person you are about to visit. Now RELAX! The rest is in the hands of the Lord. The Spirit of the lord has anointed you to go and be His witness.

Home visits are based on relations. One “canned” approach will not be appropriate for every situation. In the doing, comes the skill.

Confidentiality: do not share any details of the visit. If you think you may need to talk about a situation with someone, let it be a parish staff person. If it is something that will have to be looked into, be sure to get the parishioner’s permission.

ROLE PLAY WORKSHEET for Parish Home Visitation Team

SITUATION

POSSIBLE RESPONSE

Why are you visiting me?

- Update census
- Ask input on how we can be of better service to you.
- Opportunity to get to know the parishioners better.

I don't have time to talk right now.

- Would there be another time I could stop by that would be more convenient?

I am no longer a practicing Catholic.

- I am sorry to hear that. Is there anything we could do that might make you reconsider coming back to the Church?
- Do you mind if I ask why you left the Church?

I wouldn't have anything to do with that parish after what happened to me.

- Apologize on behalf of the Church.
- Share the insight that the Church is bigger than one individual, perhaps if you got to know the community now.

I no longer see a great need for organized religion in my life.

- Respect the person's feelings
- Humbly share the difference that God and Church has made in your life.

I just registered a year ago.

- Computerized, make it as easy as possible by putting them all on the same form.

Or: They have all that information at the rectory

I am divorced now, I don't feel welcomed in the Church.

- The Church still welcomes you to Mass and the Sacraments, and to be involved in activities.
 - Talk to someone about it.
 - Efforts of the Church to minister to the divorced.
-

Church is too big, no one cares, too institutionalized.

- Institution is indeed one side of it, but I represent the Community side.
-

I left the Church and became a member of another denomination.

- Do you mind if I ask why you left the Church?
 - What attracted you to the church you now belong to?
 - Have you ever considered returning to the Catholic Church? Feel free to return any time.
-

Why are you asking me so many questions? This is personal.

- We don't want you to answer anything you are uncomfortable with.
 - We are trying to match up needs with talents.
 - This is a standardized form from the computer. Perhaps it seems like a lot.

SAMPLE LETTER FROM PASTOR
(to the parishioners in the area being visited)

Date

Dear Parishioner,

Each year I ask our Parish to take one section of the Parish to visit. This year it will be the homes in your neighborhood. This visitation will take place (Date). The purpose of the visitation is to update the Parish census and hear any concerns and suggestions that you might have. Enclosed is a sheet that has some questions. Please look over and then share your responses with the Home Visitor.

The Visitation Team goes to every home in the area, registered and non-registered. Their purpose is not to impose themselves on anyone but to answer questions, and provide information if desired.

When the representatives from our Parish come to your door, please welcome them. Visiting door-to-door is not an easy task and your kindness can brighten their day. They go out in the name of Christ and the Parish. Enclosed is a prayer card that I invite you to say daily until July 29th. We must never underestimate the power of the Spirit, and these personal visits may touch the hearts of some to rediscover God in their lives. If you have any concerns, feel free to call me at the rectory at 274-3809.

Sincerely Yours in Christ,

Pastor
