

*“I have given you a model to follow, so that as I have done for you, you should also do. I have given you a new commandment: love one another. As I have loved you, so should you love one another. This is how all will know you are my disciples, if you have love for one another.”*

(John 13:15; 34-35)

### ***We Are the Body: A Service Reflection Workshop***

This summer, in partnership with the Campus Ministry department of Canisius College, we offer all parish leaders a unique opportunity to grow as servant leaders in “forming disciples.”

- Through direct interactions with service agencies throughout the greater Buffalo area you will experience service and guided theological reflection.
- You will have the opportunity to learn how preparation, service and reflection can be connected to evangelization and a holistic faith formation process for the entire parish community.
- With the guidance of mentors, you will have the opportunity to begin to develop a parish plan for a service/reflection event for your community.
- You will come away with a resource guide of the service agencies, immersion opportunities, and parish based service projects, which is inclusive of the entire 8 county area of the Diocese of Buffalo.

The **cost** for this event is **FREE!** And there might even be t-shirt! Woo-hoo!

So block out your calendars, gather a team if you wish, and plan to join us.

(Overnight accommodations can be available for those who may desire them.)

**Registration information and hours will be available soon.**
