Pro-Lifeoffice@buffalodiocese.org

St. Gianna Molla is a Pregnancy Outreach Center that accepts donations of baby items throughout the year.

In the summer months, if you have had a garage sale, and wish to donate any gently used and clean items to help support women and their children, we would be happy to schedule a date and time to drop them off at the center.

Gently used and clean bassinet, pack-n-play, bouncer-saucer, stroller, highchair, swing, clothes or toys, mothers can use these items to help bring their babies into the world. We appreciate anything you can contribute to promote a culture of life.

~ Thank you for your support ~

Garage Sale Project
