IMPORTANT MESSAGE

For the Diocese of Buffalo in regards to the March for Life, January 29, 2021

It is with regret that we are informing you that the Diocese of Buffalo will not be formally organizing a pilgrimage for the **March for Life for the year 2021** in Washington, DC.

We did not come by this decision lightly as we have participated in the March since 1975 when Bishop Head began the Office of Pro-Life Activities. During the 40th Anniversary, we were honored to have our students lead the way as official Flag Holders in Washington DC as we have always had a strong commitment.

With the uncertain and ever changing regulations due to COVID-19, bus capacity restrictions and traveling through other states all to converge with other states from around the country, we have decided it is in the best interest of all involved to make their own personal decisions and arrangements in regards to attending the March for Life this coming year.

Our office will be offering a variety of activities in the month of January as well as promoting participation in activities sponsored by each Vicariate.

We look forward to working with you on the various ways in which we, as a Diocese, can still actively, prayerfully and peacefully participate as much as possible.

Blessings,

Cheryl Calire
