THE MOMS WE HELPED AND WHAT THEY HAD TO SAY

“I promise with all my heart to dedicate anything I can to the work you do for Christ and testify in any way through this process. It's the un-forgiveness and shame I'm most thankful that's being lifted through this because I truly believe it's what blocked me from receiving from the Lord again. I love you and know my daughter and son will one day as well”.

~Jen~

“Being in the ministry means a lot to me and my kids. If it wasn't for the ministry I would not be waking up to not only 2 beautiful kids but a third on the way! I also appreciate the love and support I get which is much more than I get from my blood family. If it wasn't for Cheryl and the ministry I could honestly see myself in some bad situations. I now know that if I ever fall down and need a lift up the ministry is there to not actually lift me up but to help me up! Mrs. Calire is like a mom to me so I really respect everything she has done”.

~Shaniqua~

“The ministry has been my lifeline literally. From the time I first went in 2010 and now with Schildrek St. Gianna is a part of our life”.

~Charisse~
