

Did you hear about the need for a

Baby Diaper Drive?

As our ministry grows, we need your continued support!!

Has your parish participated in a baby diaper drive this year?

“Diaper and Donation\$”

Help the St. Gianna Pregnancy Outreach Center by having a diaper drive at your parish, more importantly help families in need who have chosen life!

All diapers should be delivered to St. Gianna Pregnancy Outreach Center on the Monday following the selected weekend Masses and all money collected would be sent from the rectory directly to the diocesan Office of Pro-Life Activities.

~ Please make check payable to: St. Gianna Pregnancy Outreach Center ~

These drives would also provide an excellent opportunity for the parish ministry to further spread the Culture of Life in their Church community.

***Monies collected will be used to purchase items such as: car seats and pack-n-plays**

Please call (716) 842-2229 for current diaper size needs and to let us know what month you plan to participate.
