Stgianna@buffalodiocese.org

St. Gianna Pregnancy Outreach Center relies on baby item donations throughout the year. Garage sales are a great cost-effective way to support our centers, whether you're holding one or going to one.

If you are holding a garage sale, consider donating infant and toddler items to help support families and their children. If you are going to garage sales, purchasing gently used items can greatly stretch your donation dollars.

We gladly accept clean and complete items, ready for use, including:

- Bassinets
- Pack-n-Plays
- Bouncer-saucers
- Strollers
- High chairs
- Swings
- Toys
- Clothes *

(*clothing should be freshly laundered, free of stains, odors & pet hair, please!)

“Call us to schedule a date and time to drop donations off at one of our Centers”.

~ Thank you for your support ~
