Church History

Rationale: Our understanding of God and our identity as Church develops through history. The history of the Church is a reflection of the active and continuing presence of God. Through an appreciation of the Catholic Christian story and mission, adolescents are called to become involved in the Christian community.

Goals: Students will connect the faith story of the Church with their own faith story and those of significant people in Church history.

Students will understand and appreciate the courage and faith of Catholics throughout the ages, as well as the role these people played in shaping the Church under the guidance of the Holy Spirit.

Objectives: To see the Church as a human institution, a community of believers and the body of Christ.

To recognize the basic divisions, major events and key personalities in the history of the Catholic Church.

To understand the role of the American Catholic Church in the formation and continued growth of the United States.

To examine the changes affected by Vatican II and reflect on their significance in the history of the Church.
