

List of diocesan priests with substantiated claims of abuse

Definitions:

Child:

Any person under 18 years of age.

Child or Vulnerable Adult Abuse:

Causing or attempting or threatening to cause harm to a child's or vulnerable adult's health or welfare, to include damage to the physical or emotional/psychological health and welfare of a child or vulnerable adult, resulting from non-accidental physical or mental injury, incest, sexual abuse, sexual exploitation, molestation, or repeated negligent treatment or maltreatment.

Cleric:

A person ordained for service in the Roman Catholic Church.

Complaint:

An allegation of child or vulnerable adult abuse or sexual abuse of a child or vulnerable adult by personnel that is received by the Diocese and contains sufficient detail to identify the alleged abuse and the alleged abuser(s). A complaint may include allegations of a violation of the Code of Conduct's prohibition on behavior by personnel that constitutes grooming. A form for written complaints is attached as Appendix A.

Former Cleric:

A cleric who is deceased or an individual who is included in the list of *Priests With Substantiated Claims of Abuse*.

Life of Prayer and Penance:

A cleric who has been sentenced canonically to a life of prayer and penance has been permanently removed from engaging in public ministry and is obligated to live alone in prayer.

Religious Order Allegation:

An allegation of sexual abuse of a child or vulnerable adult by a member of a religious order who, at the time of the alleged abuse or at the time the allegation is made, works, teaches, ministers, or resides within the Diocese. The allegation may assert a violation of the Code of Conduct's prohibition on behavior by a member of a religious order that constitutes grooming.

Removed from the Clerical State:

A cleric is removed from the clerical state if the Holy See has returned the cleric to a status essentially equivalent to that of a lay person. Practically speaking, a cleric who has been removed from the clerical state is prohibited from saying Mass, hearing confessions (except in certain extreme circumstances), administering the sacraments, wearing clerical garb, presenting himself as a cleric, using the title "Father" or "Reverend," or otherwise exercising sacred ministry in the Church. This is sometimes referred to colloquially as being "laicized."

Vulnerable Adult:

A person who is impaired by reason of mental illness, mental deficiency, physical illness, or disability to the extent that he or she lacks sufficient understanding or capacity to make or communicate responsible decisions concerning his or her person or to manage his or her affairs effectively.

First Name	Birth Date	Death Date	Ordination	1 or more Allegations	Status
