Love Life!

Choose Life!

Human Life is a Gift from God!

"The right to life means allowing people to LIVE and not killing, allowing them to GROW, to eat, to be educated, to be HEALED, and to be permitted to die with DIGNITY."

"Guarding & Protecting Life at all stages"

One step at a time!

St. Francis HS leading the March 2013

March for Life 2024

Join the Buffalo Diocese and hundreds of thousands of Catholics and others in solidarity for a pilgrimage of public witness, penance and prayer.

With *Roe v. Wade* being overturned (which allows more freedom at the state level to enact pro-life laws), the necessary work to build a culture of life in the United States is not finished; rather, it is focused differently. The goal of the national March for Life is to not only change laws at the state and federal level, but to change the culture to ultimately make abortion unthinkable.
